- Deputy Commissionaire Duheme

Meeting Notes

Round table updates, concerns, questions

Duheme questions re: designated area's no longer needed designated, no longer an issue

Pardy: Sit Rep review. – Will follow up with an email full SIT REP. OPP assuming all traffic duties in down town core. Advised he participated in a legal call with regards to the EMA – Legal advised no strength, due to lack of critical infrastructure....ie. Parliament does not meet definition of critical infrastructure. Advised linked OPP and RCMP legal for further discussions. Both OPP and OPS prepared to assume certain risks. Duheme advises banks concerned with the authority of seizing in the emerg. Act. Ferguson advises that none of this has been tested in court under a state of emergency. Willing to take that risk. CIC's are waiting for legal advice on this. Harkin advises that he would be willing to take that risk, agreed by Chief Bell

Pardy: advises that we are waiting on confirmation that target hardening is completed.

Ferguson: advises that traffic alert just in, 417 EB closed. Traffic plan has doubled down

Chief Hall: advises downtown appears secure and locked down.

Harkins: Advised he briefed the Chief and his only concern was the children. Ferguson advises beds, blankets, supervision and CHEO on standby. Schools also notified. Refuge shelter is in place for people needing it.

RCMP advise there will be a live link via TEAMS for tomorrow for viewing will send Chief Bell the live link
